

AOFENG

TODAY'S QUALITY TOMORROW'S MARKET

Introduction

Shandong Aofeng Metal Material CO., LTD. was established in 2011, located in Liaocheng - one of the biggest cold rolled stainless steel production bases.

Aofeng is specializing in processing cold rolled stainless steel coils and sheets. Covering an area about 20000 square meters, with 16 large & medium size reversible cold rolling machines, 10 lines of bright anneal furnaces, 8 lines of cutting/slitting machine, 3 lines of skin-pass machine, 3 and 112 skilled workers, Aofeng has become one of the most competitive manufacturers in Shandong.

Aofeng can provide you stainless steel coils and sheets in grade 200,300,400 series, available surface in 2D, 2B, BA, NO.4, HL, 6K, 8K finish or embossed coils and sheets. The sizes or thickness of stainless steel coil can be customized. Assessed by Bureau Veritas, our annual production capacity is about 100000 metric tons.

Our products have been exported to Russia, Turkey, Morocco, Egypt, Korea, Vietnam, Indonesia, India, Pakistan, Bangladesh, Mexico, Brazil etc., and have gained a good reputation among our customers with the good quality and the competitive price.

We warmly welcome customers from all over the world to establish a long-term mutual beneficial relationship and create a bright future together. Aofeng will always be your best choice and your best partner in China.
